Here at Youngstown State University, we are proud to offer Summer Football camps that help improve the football skills of all participants while showcasing their abilities for our staff. Since 2010, many former campers have gone on to play football for YSU. As a camper, you will personally work with my staff in an effort to improve in all phases of the game. Our goal is for you to experience many of the things that make YSU Football special, including the usage of our facilities and our exceptional staff. As we prepare for the 2014 season, I hope you will choose to come and experience a camp that will help develop you into a more complete football player.
